Testimonials from Senior Leaders in Tech

Steve
Atkinson
Security
Architect

Miles offers some fantastic life and personal business skills development /coaching. He has definitely helped me over the past year with 1:1 and group activities. Would recommend to any of my friends and peers! Thanks Miles

Lead

Miles applies psychology to provide insights and then a framework to evaluate what you want out of life. The clarity allows you to start moving with greater purpose. With self-belief you're able to take the critical initial steps towards bigger exciting career goals.

Austin
Pearson
Client
Director

Miles is a wonderful coach! He's helped me get clarity in my future - understanding what was truly important to me on a professional level, exploring options and building a plan. Miles is incredibly personable, and it feels like chatting to a friend.

Peter
Kent
Director /
Founder

The course taught me a great deal about personal development and furthering my career, by setting new goals and having a robust plan to achieve them. I'd highly recommend it if you are looking to move on to something more ambitious that you can't quite push yourself to do

Chris

Ops
Director

I would highly recommend an initial exploratory chat with Miles to see how he can help you in your personal and professional development. His style is very accessible, helping people to find clarity, purpose and direction. He has group and 121 coaching sessions, as well as bespoke transformation courses of a really high quality.

“ Find a group of people who challenge and inspire you, spend time with them, and it will change your life.”
